EXPERIENCE

CROSSROADS COMMUNITY PLANNING

Freelance Urban Planner | Remote

February 2024 - Present

Creating concept park and recreation additions to the area of Center Village in Harlem Township

Working with the local city commissioners and boards to create additional infrastructure for the growing population

BANG ZOOM DESIGN

Toy Inventer Design CO-OP | Cincinnati, OH

August - December 2023

Designed early-concept toy prototypes for large scale manufacturers

Gained experience prototyping with CNC mill, lathe, and 3D printers

Rapidly developed simple mechanical systems for physical models of several different toy concepts

Drew concept sketches for various intellectual properties for multiple mainstream toy companies

Collaborated in high-concept idea generation and market research

JRA - PART OF RWS ENTERTAINMENT GROUP

Experience Design CO-OP | Cincinnati, OH

May - August 2022 and January - May 2023

Collaborated with others to create experiences for theme parks, children's museums, cruise ships, and state fairs

Drew concept sketches and elevation sketches for theme park queues and surrounding areas

Produced fabrication-ready graphics and signage packages using Adobe Illustrator and Photoshop

Collaborated in brand immersion and high-concept visioning

Assisted with the development of 2D drawings and 3D models to support the overall design and art direction

Used Sketchup to create 3D models and spaces

HASBRO

Game Design CO-OP, Preschool Team | Pawtucket, RI

September - December 2021

Redesigned established products and IPs towards creating sustainable and zero-plastic products

Collaborated in making paper and lasercut models

Observed playtesting and re-designed based on test results

Used Illustrator to create cards and playtesting prototypes

Collaborated with other teams to test and create new designs

Participated in multidisciplinary team meetings across online platforms and in person

KADANT BLACK CLAWSON

Graphic Design CO-OP | Cincinnati, OH

January - May 2021
